Become a Real Life Entrepreneur for the Year!!!

by taking part in **The Student Enterprise Programme (SEP)**

28,000
students from over
500
schools ALL OVER
IRELAND take part
each year

Open to Students from
1st year to **6th year**

Students set up and run their own mini business
and learn all about what it takes to be an
entrepreneur

From coming up with your idea and market research to designing your own marketing materials, selling to customers and counting the profits – **you will experience all the ups and downs of life as an ENTREPRENEUR.**

Keys Ways Students Benefit by Taking Part in SEP

Enhances creativity and communication skills

Students develop strong problem-solving skills & become more resilient

Gives students the opportunity to apply what they learn in business books to real life situations

Shows students they CAN be an entrepreneur in the future & lets them learn the basics of how it is done

Opportunity to meet and learn from entrepreneurs in the local community

Strengthens a student's CV & gives them a competitive edge – shows future employers a key skillset in business from a young age

WHAT PARENTS SAY

“Students’
confidence and
public speaking
improves
dramatically”

“Gives students
who don’t always
stand out a
chance to
shine”

“Students learn
so much about
how to work in a
team and how to
solve problems
and move on”

“Really FUN
project to work
on and the skills
learned help with
other subjects
like Maths and
English”

Where Could SEP Take You?

Many of our former students have gone on to great things including setting up successful national and international businesses across many sectors.
